

JEZUS

whitepaper

ABOUT

Jezus is more than a memecoin—it's a movement.

A character-centric, content-driven project, blending humor, creativity, and community to redefine what a memecoin can achieve.

Our goal is to entertain, engage, and create long-term value while building a sustainable brand on the XRPL.

TOKENOMICS

IN THE BEGINNING, \$JEZUS CREATED
666,666,666 TOKENS

Dev Wallet: 15% supply (99,999,999 tokens).
